

North Pocono

Vince Wojnar takes demanding classes to achieve his goal of one day becoming a successful engineer.

The son of Vincent and Laura Wojnar, he is a member of the Science Olympiad, soccer and volleyball teams.

He takes advanced courses, including Advanced Placement Physics II. For him, the class is intriguing and explores many of the concepts he wishes to pursue in the future.

Vince was awarded the Frank Coslett Award for sportsmanship and earned second place in the Kane Competition, a physics competition.
