

## Join the North Pocono SETI Team

SETI is a unique opportunity to use your computer for the betterment of humanity.

To learn about SETI read the article located at

[http://www.croomphysics.com/assignment/phys/chapter8/SETI\\_AND\\_MORE.pdf](http://www.croomphysics.com/assignment/phys/chapter8/SETI_AND_MORE.pdf)

To install the SETI application on your computer to <http://setiathome.berkeley.edu/>, create and account, and download the software

Once you have the software installed and a user account created, you should link up with the North Pocono SETI Team community at [http://setiathome.berkeley.edu/team\\_display.php?teamid=143070](http://setiathome.berkeley.edu/team_display.php?teamid=143070) to search for ET.

Other than the installation, this will not require any time on your part.

Let me know if you join the team at [jcroom@npsd.org](mailto:jcroom@npsd.org)

Thank you for joining,

J Croom
