

North Pocono

Allison Caswell attended the Perelman School of Medicine at the University of Pennsylvania summer program last year.

The four-week summer medical program for high school juniors and seniors is guided and taught by Penn Medicine faculty and

students.

After high school, Allison, whose favorite subject is chemistry, plans to pursue a career as a doctor.

Allison is highly ranked at North Pocono High School. She is an Advanced Placement scholar, taking part in 10 AP courses, and a member of National Honor Society.

President of the Red Cross Club, Allison competes in Science Olympiad and also widened her cultural interests by traveling to European countries, including France, Italy, Austria and Switzerland.

After high school, Allison plans to attend college at the University of Pittsburgh and enroll in the biochemistry program.

She also enjoys playing the piano and reading. Her favorite author is Dean Koontz.
