Senior **Josh Misiura's** time is winding down at the school but not before leaving a lasting impact. Misiura

is a four-year member of the baseball program and also part of the school's Science Olympiad team that recently participated at the state competition.

Misiura's school days are typically busy, as he takes AP English, AP Physics II, AP Calculus and AP Psychology.

Following graduation, Misiura plans to attend the University of Pittsburgh and major in civil engineering.
