North Pocono

Ray Watkins IV is a three-year member of the National Honor Society and has made high honors throughout high school.

In addition to being enrolled in accelerated and Advanced Placement courses, Ray is also captain of the football and track teams and a member of the Science Olympiad team.

He considers his most memorable North Pocono moments to be the Science Olympiad team making states and winning tug-of-war during his freshman year.

Ray also volunteers at events at St. Eulalia's Church and helped to coach the Junior Trojans "A" squad over the summer.
